Have you requested an ALR hearing? _____

Your drivers license will be suspended unless you request an ALR hearing in writing by fax within 15 days of your arrest or receipt of notice of suspension from the arresting agency. If an ALR hearing has not been timely requested, the suspension will automatically begin on the 40th day after the notice was received. If you request a hearing, no action will be taken on the suspension until after the hearing. If your license is suspended, you may qualify for an occupational license. Contact my office if you need your drivers license.
